

Camps Update

Unfortunately due to government guidance, we are unable to operate our May Half Term camps. We are really disappointed by this but the safety of our the children and our staff is the most important thing.

If you made a booking for Easter or May, the team have applied credit to your account to the value of your booking(s). To use this credit please get in touch with us at admin@munchkinsports.com and we will be happy to make the booking on your behalf.

Our Teams

Like many businesses, we are facing unprecedented times and many of our team members have been furloughed. We're still committed to providing excellent customer service during this time, however we are now a reduced team working remotely, so please bear with us. We'll continue to make every effort to respond to all enquiries and help you as quickly as we can.

We continue to engage and support all our employees. We have a fantastic team and cannot wait for them to return.

Summer Camps

We're working behind the scenes to develop and enhance our summer camps with some fantastic new challenges and activities – plans are already underway to implement social distancing procedures and enhanced hand sanitising regimes. We will continually work to keep procedures up to date, following the latest government guidance.

We are delighted to announce that we have opened up bookings for 5 holiday camp locations for this summer. Due to the changing government advice, you are now able to reserve a place for your child without having to pay the money up front. To reserve a place and find your nearest camp please visit:
