PRE-SCHOOL PROVISION UPDATE

We have decided to push on with offering our pre-school provision at all 5 sites: St Dunstan's, Bickley, DUCKs, St Christopher's and Babington House. With our wraparound provision at St Christopher's and Babington, we feel that this is an important part of continuity across our offerings at the school and something that all our competitors shy away from so should be something we are shouting about and promoting! Pre-School will remain only for the children who are in their final year of pre-school before going to reception. Whilst we acknowledge that some of the younger pre-schoolers attend our wraparound, camp is a completely different provision and only suitable for the top pre-school year.

STAFFING UPDATES

- Camp deadline for May and Summer camps has passed – we are actively populating the staffing. More to come but shifts will be live soon!
- Availability – please go on to WIW and submit both camp and term time availability as we are chasing late submissions.
- Fancy a change? Lots of shifts available currently. Please email staffing@munchkinsports.com and let us know if you'd like to pick up more ad hoc shifts, or permanent slots. Please, ensure your WIW reflects this also .

TRAINING TO BE A TEACHER?

Are you studying primary education or training to be a teacher? Then we'd love to hear from you! Please reach out to our Staffing Team so we can talk to you about the NVQ positions we have available which you can do alongside your studies and training.

CIC TESTIMONIALS

Last term our CIC provision ventured out to the Putney area. Check out what a teacher a Falconbrook School had to say:

"The Munchkin Sports sessions were a huge success for our Reception and Year 1 classes! The coaches were fun and engaging which meant the children were all engaged. The sessions were unique and the children played games they have never played before which they loved. The children were always so excited for each session and this is down to the coaches and their delivery. Lots of skills were developed for the children, such as running, throwing, catching, invading space, among lots of others. I would highly recommend Munchkin sports and we wish we could have you back!"

And from the children:

"I loved the games that we played!"

"The coaches were really fun and funny!"

"I loved everything!"

"We want the coaches to come back today!"

Well done Charlie and his team!

And another fab testimonial from our CIC work at James Dixon!

"Munchkins Sports worked with our preschool, reception and year 1 classes for half a term, and every year group had a thoroughly great time. The sessions were adapted to suit the age and ability of the children, and introduced them to skills such as evasive running, moving in different ways, and basic ball skills. The preschool class listened and engaged very well as the coaches were amazing at capturing their attention and making sports fun! Thank you Munchkins. "

WEEK COMMENCING
27TH APRIL 2026

SAFE, PROFESSIONAL,
FUN!
